End your weekend on a high note! Pack a picnic basket and come down to Hurless Barton Park Amphitheater for some great music with family and friends. Two new bands will be featured this summer, and three of Yorba Linda's favorites are coming back. Seating is available on the grass, so please bring beach chairs and blankets. Any canopies that block the view of others will need to come down when the concerts start. Dogs are not recommended, and alcohol is not allowed in the park. Don't forget your dancing shoes!
