PUBLIC WORKS / ENGINEERING

## Final Grade Certification

The City of Yorba Linda requires a licensed Professional Engineer to submit a **wet signed and stamped** final grade certification prior to the certificate of occupancy and the final grading inspection will be performed concurrently with the final inspection of the building.

Project Name: \_\_\_\_\_ Tract/Parcel No. \_\_\_\_\_

Project Address: \_\_\_\_\_ Grading Permit No. \_\_\_\_\_

Lot(s): \_\_\_\_\_

I hereby approve the final grading for the above referenced project in accordance with my responsibilities under Orange County Grading and Excavation Code and City Grading Code was completed in conformance with the accepted grading plan including: completion of required engineered or other drainage devices and retaining walls, location of property corners for proper building location and elevation of building finish floor, location and slope ratio for all manufactured slopes and construction of earthen berms and positive building pad drainage. In addition, all slopes are irrigated and planted in accordance with the grading notes and City Grading Code.
