PUBLIC WORKS / ENGINEERING

## MEMORANDUM OF ACKNOWLEDGEMENT

I/We \_\_\_\_\_ request that the City of Yorba Linda accept and begin the Engineering Division plan check of:

- Rough Grade Plan       Precise Grade Plan       Street Improvement Plan
- Lot Line Adjustment

and supporting documents for property located at \_\_\_\_\_ prior to Planning Division/Planning Commission review and/or approval. I/We agree and accept that the City of Yorba Linda will be charging non-refundable plan check fees for incurred costs associated with the Engineering Division plan check submittal regardless of the outcome of my/our pending Planning Division/Planning Commission review. I/We further acknowledge that I/we may incur additional costs privately for civil engineering or other design related services associated with my/our project prior to receiving approval from the Planning Division/Planning Commission. I/we understand that acceptance of said plans and/or documents reviewed by the Engineering Division does not extend nor imply an approval from the Planning Division/Planning Commission and does not grant a vested right or any other property right related to the properties.
