PUBLIC WORKS / ENGINEERING

## As-Built Certification

The City of Yorba Linda requires a licensed Professional to submit a **wet signed and stamped** As-Built certification prior to release of improvement bonds and the final inspection will be performed concurrently with the bond release process.

Project Name: \_\_\_\_\_ Tract/Parcel No. \_\_\_\_\_

Project Address: \_\_\_\_\_ Grading Permit No. \_\_\_\_\_

Improvement Plan: \_\_\_\_\_

Grading Plan: \_\_\_\_\_

I hereby certify the As-Built plan under my professional responsibilities for the above referenced project in accordance with Orange County Public Works Standard Plans, Orange County Grading Manual, City Grading Ordinance, and Standard Specifications of Public Works ("The Greenbook"). The improvements were completed in conformance with the accepted improvement plan including but not limited to: drainage devices, street improvements, retaining walls, slope ratio for all manufactured slopes, positive drainage, and landscaping (if applicable).

Check one of the following items:

No construction deviations from the accepted plan or accepted revisions

All construction deviations from the accepted plan or accepted revisions are indicated on the As-Built plan

Company: \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_, CA \_\_\_\_\_

Phone: \_\_\_\_\_

Professional Name: \_\_\_\_\_

License No.: \_\_\_\_\_ Exp. Date \_\_\_\_\_

Signature \_\_\_\_\_ Date \_\_\_\_\_
