

WELCOME

EFFECTIVE JUNE 15, 2021,
CALIFORNIA DEPARTMENT OF PUBLIC HEALTH (CDPH) GUIDELINES STATE:

Fully Vaccinated

Mask not required, except in settings where masks are required for all individuals

Not Fully Vaccinated

Wear a mask while indoors.
Social distancing is recommended

Masks are required for individuals who are not fully vaccinated while in indoor public settings and businesses to prevent transmission to persons with a higher risk of infection, such as unvaccinated or immunocompromised persons, workers with prolonged exposure, or persons whose vaccination status is unknown.

Masks are not required for fully vaccinated individuals, except in the following civic settings where masks are required for everyone, regardless of vaccination status:

- On public transit and in transportation hubs
- Indoors in K-12 schools, childcare & other youth settings
- Emergency shelters and cooling centers

This information is being provided to allow vaccinated individuals to self-attest that they are in compliance prior to entering this facility, and to allow unvaccinated individuals the opportunity to put on a mask. Please inquire with staff if you need a mask to be provided to you.
