## CITY OF YORBA LINDA

---

Finance Department

**DATE:** DECEMBER 21, 2021

**TO:** HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL

**FROM:** DIANNA HONEYWELL, FINANCE DIRECTOR / CITY TREASURER

**SUBJECT:** MASTER PLAN OF DRAINAGE DEVELOPMENT IMPACT FEES ANNUAL REPORT FOR FISCAL YEAR 2020/21

---

### RECOMMENDATION

It is recommended that the City Council receive and file the annual report of Master Plan of Drainage development impact fees for the fiscal year ended June 30, 2021, as required by the Mitigation Fee Act.

### BACKGROUND

State law (Government Code Section 66006) requires each local agency that imposes development impact fees to follow certain accounting procedures for tracking fee revenue received and to prepare an annual report providing specific information about those fees. These requirements are part of the law commonly referred to as AB 1600 or the Mitigation Fee Act ("The Act"). The annual report must be reviewed by the City Council at a regularly scheduled public meeting not less than 15 days after the information is made available to the public. In addition, notice of the time and place of the meeting must be mailed at least 15 days prior to the meeting to any interested party who files a written request with the City for such a mailed notice. A copy of this staff report was made available at the City Clerk's office and on the City website on November 24, 2021, in compliance with the Act. Although the Master Plan of Drainage development impact fee is potentially not subject to the requirements of the Act, the City is following these requirements out of an abundance of caution.

### DISCUSSION / ANALYSIS

City Council Resolution No. 2000-3339, adopted by the City Council on March 7, 2000, most recently updated the fee schedule for Master Plan of Drainage development impact fees, which are assessed on new development to fund construction of storm drainage infrastructure contemplated in the City's storm drainage master plan. The fees are levied pursuant to Section 17.12.100 of the Yorba Linda Municipal Code and were originally set by
